

A Message to Our Valued Employees, Customers and Suppliers:

After nearly 70 years in business, we are writing to share a heartfelt decision: the time has come for us to retire and bring this remarkable chapter of our company's story to a close.

From our humble beginnings as a small family business, the company grew far beyond what we could have imagined. Along the way, we introduced many successful products, built lasting relationships, and had the privilege of serving generations of loyal customers.

Our journey also brought profound challenges. The catastrophic fire in 2014 tested us in ways we never expected but with the extraordinary support of employees, customers and suppliers we were able to restart the business with renewed courage and valued partnerships.

Through every success and every setback, your trust and loyalty sustained us. It has been an honor to serve you, and we are deeply grateful for the relationships, memories and opportunities you have given us over nearly seven decades. It has been an honor to serve and work with each employee and customer over the many years we have been in business.

Although this decision is bittersweet, we step away with tremendous pride in all that was accomplished and with sincere appreciation for everyone who has been part of our story. Thank you for your business, your friendship and for helping make this extraordinary journey possible.

As we progress towards the end of the year and our close of business; we urge you to address any material or equipment needs as soon as possible as inventories are becoming limited.

With heartfelt gratitude,
Rutland Plywood Corp
